Commitment to accountability – publishing annual reports

- ▶ As I have done for the last five years to mark the annual anniversaries of my election as Member of Parliament, I am again publishing an account of my work over the last year
- ▶ This report highlights some of the initiatives and projects undertaken during the calendar year of 2017
- ▶ It does not attempt to cover every single activity, but will provide an overview of my work as Member of Parliament
- ▶ The report will be distributed electronically first and placed on my website (www.julianjrobinson.com). Hard copies will be printed for physical distribution by the end of January

Commitment to a participatory democracy – hosting Constituency Development Fund consultations

- ▶ I hosted two Constituency Development Fund consultations. The first took place on April 6, 2017 at the Unity Church Hall in the Trafalgar Division and the second on April 12, 2017 at the Christ Church Hall in the Vineyard Town Division
- ▶ At the consultations, I presented on the projects undertaken, the monies expended under the CDF and sought recommendations from residents on how the CDF should be used for the new financial year
- ▶ Presentations were also done by Councillors Andrew Swaby (Vineyard Town) and Kari Douglas (Trafalgar), representatives of the CDF Project Office, the KSAC, HEART Trust NTA and the Social Development Commission(SDC)

HUMAN AND SOCIAL DEVELOPMENT

8 Summer camps held across the constituency

- 8 Summer camps were held targeting 900 students across 7 communities (Nannyville, Swallowfield, Jacques Rd, McGregor, Franklyn Town, Woodford Park, Slipe Road)
- 4 categories of students
 - Ages 4-6 – pre primary stage
 - Ages 7-9 – preparing for the Grade 4 Tests
 - Ages 10-12 – preparing for GSAT
 - Ages 12-15 – young teenagers
- A standardized curriculum was developed for consistency across the camps
- Pre and post assessments were conducted to determine those students needing special intervention
- The students preparing for GSAT used a special locally developed software application for GSAT students

Hosted the third annual staging of the FLOW Ja Biz Town summer camp with 80 students who were introduced to the world of business

FLOW/ JA Biztown Tech Summer Camp 2017

<https://www.youtube.com/watch?v=XZXdqdDYH3E>

- A project of the Junior Achievement organisation, JA Biz Town (located on Arnold Road) provides students with hands-on training on the day-to-day aspects of transacting businesses, managing money and manoeuvring social situations during their tenure at the training camp.
- The JA Biz Town programme is designed to develop the business IQ of students, especially those at the grade five level, as they are exposed to specialised in-class learning. Built as a mini-city, the town comprises several real-life private sector businesses, where the children undertake various functions similar to adults in real life. This environment allows students to better understand the importance of working and earning a living in a replicated economy and also teaches valuable lessons about entrepreneurship and money management.
