Dear Ms. Bryan,

Re: Access to Information Act – Request for Information regarding Audited Financial Statement for the Fiscal Year 2017/2018

Further to our response to Ms. Jeanette Calder’s application under the Access to Information Act dated 2020 October 21, please be advised that the information remains unchanged.

We are unable to provide you with a copy of the Audited Financial Statements until such time that the Statements are tabled in the Parliament. As per protocol, we are currently working with our Parent Ministry to have this accomplished. However, the statements can be made available for viewing at your convenience at our Corporate Office located at 140 Maxfield Avenue, Kingston 10.

Sincerely,
