- Jobs

### WESTERN ST. ANDREW COVID-19 RESPONSE

As we continue to adjust our lives around the COVID- 19 pandemic and resuscitate the Jamaican economy, we cannot forget to protect ourselves and our families. From inception the response within the Western St. Andrew constituency was far reaching. The Member of Parliament toured the constituency and visited the vulnerable, the elderly, disabled and the shut-ins.

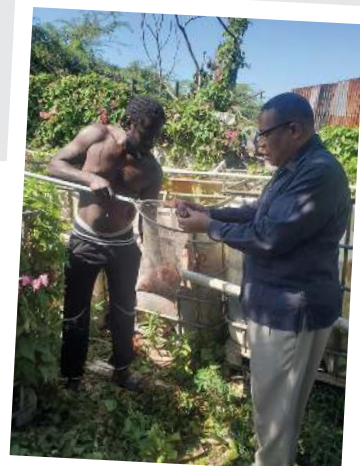

\$3mil has been spent so far to mitigate against COVID-19 with over 3,000 care packages delivered to residents by the MP.

The following communities were toured by the MP during the distribution:

Riverton Meadows | Seaview Gardens | Waterhouse | Callaloo Mews | Brooke Valley | Red Hills | Happy Grove | Gutzman | Belvedere Road | Ferry | New Haven | Duhaney Park | Cookeville | Washington Gardens

### WSA FARMER'S MARKET

The MP partnered with the SDC, The Duhaney Park DAC, JAS & RADA to host a Farmers' Market at the Cooreville Gardens Community Centre on June 12, 2020. This was done to facilitate residents accessing fresh produce and other food items at their convenience and at reasonable price during the lockdown.

# ACHIEVEMENTS

## HUMAN & SOCIAL DEVELOPMENT

JMD 12.2 million spent during the period 2016-2020, to assist 187 residents with the purchase of building material used to improve their current housing situation.

\$12.1 million was allocated to assist residents to purchase medication, burial of loved ones and household grocery assistance. A total of 176 persons benefited for such grants.

## ROAD REHABILITATION WORK

For the period 2016-2020 JMD 250 million was spent on road rehabilitation across the constituency. The rehabilitation included, resurfacing, fixing and building drainage and building proper sidewalks.

The following roads benefited:

Whitney Drive | Darley Crescent | Penn Avenue | Bishop Avenue | Section of Balmagie Avenue | Brooke Avenue | Section of Milton Avenue | Varma Road | Chesterfield Drive | Largie Road | Trinidad Road | Bia Road | Rosend Avenue | Ferry to Belvedere Road | Morant Avenue | Caribbean Sea Drive | Black Sea Drive | Herrick Avenue | Arabian Sea Drive | Durrell Avenue | Dilston Avenue | Lindale Avenue | Warminster Avenue | Gandhi Road | Kingfish Road | Chaffinch Road

# ROAD PATCHING AND MINOR RESURFACING

JMD 33 million was also spent during the period to do minor road work on the following roads in the constituency.

Penwood Road | Henley Road | West Bay Farm Road | Balcombe Drive | Harwood Drive | Artic Boulevard | Atlantic Boulevard | Pacific Boulevard | Adrian Sea Drive | Welshman Road | East Road | West Road | Riverton Meadows | Scheme Road | Duhaney Drive | Pasa Avenue | Ebenezer Avenue | Salkey Avenue | Columbus Drive | Swift Avenue | Shakespeare Avenue | Swift Avenue | Bob Marley Boulevard

“My style of leadership is inclusive”

- Anthony

# EDUCATION INVESTMENT

01

➤ **WESTERN ST. ANDREW NATIONAL UNATTACHED YOUTH PROGRAMME (NUYP)**

The NUYP programme saw eighty-five (85) persons enrolled in the following 4 skills training area: Digital Animation, Webpage Design, House-Keeping and Warehousing. A budget of \$10mil was allocated to execute the programme over a nine (9) months period. The Edit Dalton James High School was used to facilitate the programme.

02

➤ **TUITION GRANT & BOOK VOUCHERS**

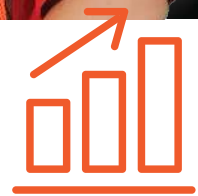

A total of JM \$32 million was allocated to providing grants for school tuition and book vouchers for students residing in the constituency. Since September 2016, 960 students benefitted from this programme.

03

➤ **SKILLS TRAINING**

Skills training programs at the Maranatha Church, Christ the Redeemer, Nestle Ferry Commercial Centre

# INFRASTRUCTURE

Construction of the Cooreville Gardens Community Centre at a cost of JM \$22 million

Upgrading of the Balmagie Football Field at a cost of JM \$8 million

Rehabilitation of fire victim house on Bay Farm Road at a cost of JM \$8 million

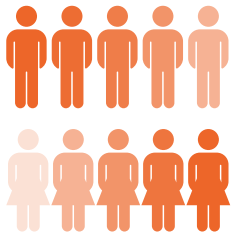

Construction of the Welcome to Seaview Gardens Signage at a cost of \$3 million

Construction of Side Drain along Henley Road at a cost of JM \$3 million

Renovation of the Park at the entrance to Duhaney Park

# JOBS

\$31.6mil has been spent during the 2016-2020 period to provide temporary employment for persons residing in the constituency. These funds were spent during the yuletide season and persons were employed to do bushing and clean-up work within their respective communities

\$16.4mil has been spent since 2016 to provide over 198 residents in the constituency assistance through grant funding to stock their shops, bars, repairs to PPV operated vehicle, stalls among other small businesses within the constituency.

# FUTURE PLANS

- The MP has mobilized investments into the Seaview Eco-Industrial and Logistics Park (SEILP). The field and design work has begun and is expected to cost US\$450mil. The investment will run along the Chesterfield & Marcus Garvey Drive border.
- The building of the 876 Energy Terminal in Riverton.
- Conversion of the Riverton Dump to a Waste Energy Plant (a working team was established under the previous PNP lead Government and the work continues)
- Land titling for Riverton residents under Special Provisions Act of 2020
- Seaview Gardens Workforce College
- The MP has secured commitment for the rehabilitation and upgrade an existing building in Phase 2 Seaview that has been abandon to provide skills training for logistics centered programs. Red Stripe through the Desnoes and Geddes foundation and Zoukie Trucking among other private sector stakeholders has committed to the project.
- Brooke Valley Resource Centre
- The Centre will be utilised as homework and computer centre.
- Riverton Multipurpose & Resource Centre
- Recreational, homework and computer centre. This will be done at a cost of \$16mil
- Construction of The Waterhouse Community Studio at a cost of \$7mil
- Construction of the Waterhouse Boxing Arena and Gym
