Dear Ms. Calder:

Reference is invited to your Access to Information request dated May 6, 2026 in relation to our Financial Statements for the financial years 2009/2010 – 2023/2024.

In response to your queries, kindly note the following: -

Question 1: Which, if any, of the 15 outstanding financial statements (2009/2010 – 2023/2024) have been submitted to the AuGD?

Answer : We have submitted Financial Statement for the year 2009/2010 to the Auditor General's Department, however, they have not yet been signed, hence the process is still incomplete.

Question 2: If none have been submitted, can the Corporation share the projected submission date(s) for each outstanding financial statement?

Answer: We are unable to give a timeline for when the remaining financial statements will be submitted as we are currently working to employ the service of a Consultant.

If you have any queries about this request do not hesitate to contact me. Please remember to quote the reference number above in any future communications.

Sincerely,

Jennifer Brown-Cunningham (Mrs.)
Chief Executive Officer
